Re: Relaxation from Submission of Hard Copy of Regulatory Returns

In the wake of Covid19 Global Pandemic and Work From Home situation prevailing, Life Insurers have represented difficulty in filing hard copy of **Quarterly Investment Returns**.

On examining the request, the Competent Authority has allowed Life insurers to upload the Regulatory Returns through BAP module without physical filing and submit a soft copy through email to Mr SN Jayasimhan, GM at email id snjayasimhan@irdai.gov.in , for returns up to 31st March 2021. However, the physical copies may be kept ready for filing by a later date to be indicated by the Authority.
