## Updating the Annual Aggregate Turnover (AATO) by taxpayers.

04/08/2021

The Annual Aggregate Turnover (AATO) has been calculated based on the returns filed by the taxpayers. The detailed advisory on calculation methodology of AATO has been specified under the 'Advisory' hosted at Taxpayers' Dashboard. A functionality has been provided at the Common Portal to modify the AATO where taxpayers have reason to believe that the AATO has been calculated wrongly. In such cases, taxpayers may modify the Annual Aggregate Turnover (AATO). In case such modification is made beyond a certain limit (as specified in the 'Advisory'), the same shall be sent to the jurisdictional officer's Dashboard for appropriate action, if required.

However, it has been seen that many taxpayers have used the functionality to modify AATO just for confirming it, which is not required. In case, the AATO is correct in their opinion, they are not required to take any action.

Regards,  
Team GSTN
