

File No QA-11023/84/2021-QA-FSSAI (E-3468)
Food Safety and Standards Authority of India
(A Statutory Authority established under the Food Safety and Standards Act, 2006)
(Quality Assurance Division)
FDA Bhawan, Kotla Road, New Delhi-110002

Dated, 29th November, 2021

Subject: Listing of chemicals/reagents/consumables etc. on Government e-Marketplace (GeM) -reg

Government of India encourages the procurement of goods/commodities through Government e-Marketplace (GeM). On the same lines Food Safety and Standards Authority of India is also ensuring that procurement of laboratory chemicals/glasswares/reagents and other consumables by State Food Testing Laboratories (SFTLs) is done only through GeM.

2. With increase in the surveillance activities besides the regulatory activities in the States/UTs it will become a good business opportunity for the vendors/suppliers of Chemicals/reagents and consumables etc. and it will allow for their easy & faster procurement once the vendors/suppliers register themselves on GeM.

3. Therefore, the concerned vendors/suppliers are hereby requested to kindly list their chemicals related to food testing and other consumables on GeM so as to facilitate purchase by State Food Testing Laboratories. In case, if the entire catalogue of consumables is made available on GeM along with the terms and conditions, it will help the analysts to select the chemicals of the desired grade and other consumables suiting the analytical requirements.
