Subject: Educational Framework for Global Citizenship in Higher Education

Respected Madam/Sir,

The vision of the NEP 2020 is to instil among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being thereby reflecting a truly global citizen. It also mentions that, as the world is becoming increasingly interconnected Global Citizenship Education (GCED), a response to contemporary global challenges, will be provided to empower learners to become aware of and understand global Issues and to become active promoters of more peaceful, tolerant, inclusive, secure, and sustainable societies.

In view of the importance given to the concept of Global Citizenship and Global Citizenship Education (GCED) in NEP, 2020, UGC developed an "Educational Framework for Global Citizenship in Higher Education" which would provide conceptual clarity on how Higher Education Institutions can integrate the concept of Global Citizenship amongst the students through teaching, pedagogy and research. The framework also provides inputs on the expectations, knowledge, skills and value system etc. required by students to become global citizens. GCED framework is available as a E-book on the UGC website (<https://www.ugc.ac.in/ebook.aspx>).

All the Universities and colleges are advised to adopt GCED framework and to integrate the concept of Global Citizenship among their learners.

With kind regards,

Yours sincerely,

(Rajnish Jain)

To,

The Vice Chancellor of all Universities
The Principals of all Colleges
