D.O.No.2-3/2022 (CPP-II)

20th January, 2022

Respected Madam/Sir,

The Commission is in receipt of an O.M. No. 14-3/2021-SC/ST dated 05.01.2022 of the Ministry of Education regarding creation of educational resources for blind students at university level.

In this regard, it is advised that all universities should develop/adopt suitable educational resources like Braille-print books, large print books, tactile books, audio books and such other assistive devices which better meet the needs of visual impairments for equitable access to the curriculum. Such educational resources, as far as possible, should be uploaded on the website of the university also and made freely available.

All the universities and their affiliated/constituent colleges are requested to take action on the above points.

With kind regards,

Yours sincerely,

(Rajnish Jain)
