## Annual Aggregate Turnover (AATO) computation for FY 2021-22

02/05/2022

The functionality of AATO for the FY 2021-22 has now been made live on taxpayers' dashboards with the following features:

- The taxpayers can view the exact Annual Aggregate Turnover (AATO) for the previous Financial Year (FY).
- The taxpayers can also view the Aggregate Turnover of the current FY based on the returns filed till date.
- The taxpayers have also been provided with the **facility of turnover updation** in case taxpayers feel that the system calculated turnover displayed on their dashboard varies from the turnover as per their records.
- This facility of turnover update shall be provided to all the GSTINs registered on a common PAN. All the changes by any of the GSTINs in their turnover shall be summed up for computation of Annual Aggregate Turnover for each of the GSTINs.
- The taxpayer can amend the turnover **twice within** the month of May, 2022. Thereafter, the figures will be sent for review of the Jurisdictional Tax Officer who can amend the values furnished by the taxpayer wherever required.

Note: For more details, the taxpayers may check out the '**Advisory**' section of the aforementioned functionality on their respective dashboards.

Thanking you,  
Team GSTN
