Subject:- Standard Operating Procedures for various Manufacturing Processes in the Factories.

In order to minimize the fire accidents and the dangerous occurrences in the factories, the Labour Department has prepared the Standard Operating Procedure (SOPs) for the factories, where the hazardous chemicals, gases and other flammable substances are being used. The SOPs are prepared in accordance with the prescribed schedules defined under the rules framed under the Factories Act, 1948. These SOPs are displayed at the departmental website i.e. www.hrylabour.gov.in for all the stake holders, so as to follow these procedures while doing manufacturing activities.

All the Factory Owners/ Stake Holders are advised to carry out their manufacturing process safely and in accordance with these Standard Operating Procedures (SOPs). After 60 days from the date of this advisory, the officers of the Labour Department may inspect/check the status of compliance.
