F.No. N-P016(20)/1/2024-PGMEB-NMC-Part(1)   Dated: 11.09.2024

PUBLIC NOTICE

Subject: **Application for inclusion of new PG Medical Qualification**

The National Medical Commission (Recognition of Medical Qualification) Regulations, 2023, prescribes the procedure for inclusion of new medical qualifications. As per the Regulation "Any medical institution conferring an undergraduate or postgraduate or super-specialty medical qualification may apply to the concerned Board, along with such documents and information, for inclusion of any new medical qualification, which is not already included in the list".

2.   Hence, all Medical Colleges/ Institutes who wish to apply for a new PG medical qualification which has not been included in the Annexure-I, II, III, IV, V and VI of Post Graduate Medical Education Regulations-2023, is requested to apply for the same in application form for starting of a new a qualification (Specialty), which is available on the NMC's website (Under "Information Desk" → "Download Application Forms NMC" → "Form for Starting of New PG Qualification" at Sl. No. 5)

3.   The following annexure are to be attached with this application form:-

(a) Standard Assessment Form Part-A [Institutional Information common for all PG Specialities]. See Sl. No. 2 at Download Application Forms NMC.
(b) Standard Assessment Form Part- B of the Parent Specialty.

4.   All such applications should be accompanied with requisite fee of INR 2,50,000/- plus GST @ 18% per qualification and addressed to the Post Graduate Medical Education Board.

5.   No application shall be entertained by the PGMEB which does not come in the proper format along with the requisite fee.

(Dr. Vijay Oza)
President, PGMEB
