Whereas, it has been directed by Commission for Air Quality Management in National Capital Region and adjoining areas that in an effort to prevent further deterioration of the air quality, all actions as envisaged under Stage IV of the GRAP - 'Severe+' Air Quality (Delhi AQI>450) be implemented in right earnest by all the agencies concerned in the National Capital Region (NCR), and that the NCR State Governments/ GNCTD may take a decision on allowing public, municipal and private offices to work on 50% strength and the rest to work from home.

Therefore, in view of above, all Private Institutions and Corporate Offices of district Gurugram are advised to guide their employees to work from home from 20-11-2024 till further order and, by doing so, assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region.
